THE
WORLD CHA

The vibrant life has been shaped to reflect the true nature of
countless fashion moments around the world. Every moment
captures a unique moment with its own, across the world, the green and
unadorned, and so too, the dress, crafted to perfection.

One look at you, and the world is blinded. By love, by charm, by desire, by a hope against hope to call you their own. And as they yearn for you they discover that the glow they see around you, comes from within you and is magnified tenfold by the dress you wear. You are the Goddess of brightness, the one who dispels despair from this plane.
