

mohini VOL-02

A close-up photograph of a woman's face in profile, looking upwards and to the left. She has light-colored hair and is wearing red lipstick. Below her shoulder, a portion of a sari is visible. The sari has a dark blue or maroon base color with a prominent gold-colored thread embroidery of the Eiffel Tower. The border of the sari features a repeating pattern of small squares in gold, red, and blue. The overall composition is elegant and sophisticated.
