Royalty

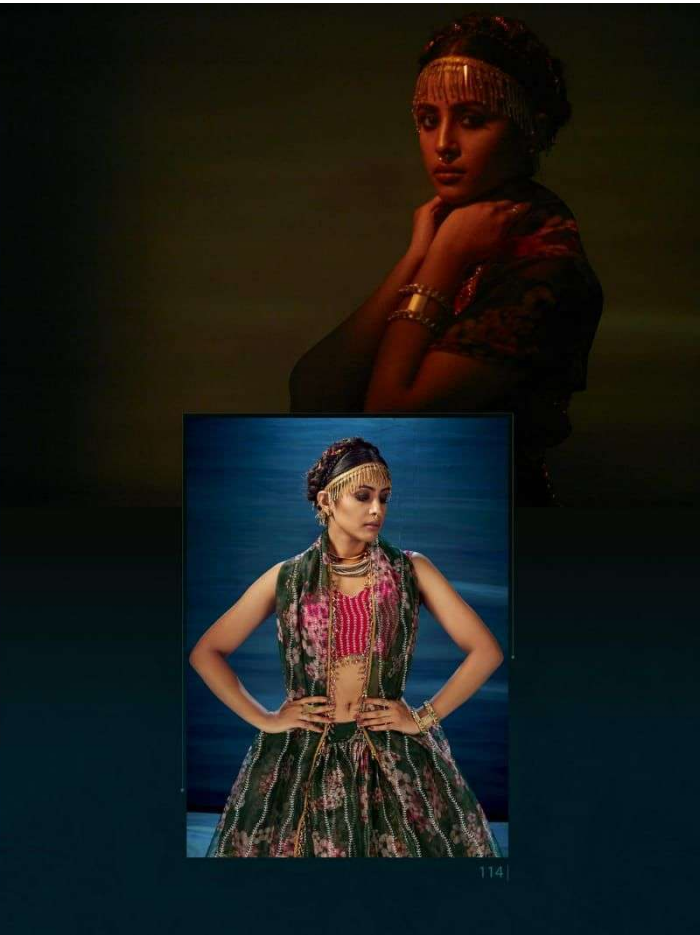

Like the first rays of summer caught in a bloom, bright, soft, rich and touched with silver dust
The color that reminded from the memory the image of a princess before walking down the sandy aisle on a stage
Royal, radiant, heavy and imperious - perfect for the destination wedding of a lifetime

We love this ensemble because it perfectly brings out the fusion of old world aesthetics and modern sophistication
That makes this outfit so unique. The orange and black are monochrome,
while the sheer silver threads add just the right hint of glamour. Paired with a soft red dupatta
embellished with silver motifs and borders, it's the perfect marriage of elegance and comfort.
