

I dont know which

I dont know which I would rather believe. That you never did care or that you eventually stopped.

i decided to stop
I decided to stop because I got the
message that I was not the only one
who didn't need an explanation. And people who
don't love me, don't care for an explanation.

I dont know which

I dont know which I would rather believe. That you never did care or that you eventually stopped.
