You cannot the world to
 what is believed has been her
 heaven. Joy, smiles, laughter
 and more importantly style.
 You are the last fraction of
 beauty, in a world manufactured
 by temporary lab. Amids all
 the fashions of the season,
 you rise supreme with your
 timeless grace. You can look
 up to your beliefs. As you
 breathe, you transform the
 atmosphere of the world that
 surrounds you. And all that is
 defined, all that is known, all
 that is past disappears in an
 instant. In your wake, the
 waves rise, the light and
 spreads its arms, little
 wonder then, that your eye
 reflects vitality, vigor and
 vivaciousness...the three
 main components of life.
 Women from all over the
 world seek in you. They look
 for the inspiration you've
 created the spellbinding theme
 that now inspire you, and
 wish in turn for them to
 create the same for them.
 Little do they know that the
 gift you now wear
 handed to you is the
 essence of this eternal gift.
 The spirit of style, and you are
 responsible.
