Want To Become  
A Great Fashion Influencers ?

## Want To Become A Great Fashion Influencers ?

The influence of a fashion writer is undisputed. To be a great fashion writer you need to be interested in the 'why' rather than the 'what'. Never knowing when the change is going to come, we need to lead with a unique voice and vision, a sharp eye and a desire to learn everyday and teach the world our findings.

The history of clothing in India dates back to ancient times, yet fashion is a new industry, as it was the traditional Indian clothing with regional variations, be it the sari, that remained popular until the early decades of post-independence India. Indian fashion originates from Western culture.

Fashion includes a series of sequins and gold thread to attract customers and apply a statement to the Indian fashion community.
